Area of 25 Miles Without Fire Alarm System for More Than an Hour-Poles Shifted by Contractor.

an area of twenty-five miles was without a fire-alarm system yesterday afternoon for more than an hour. This condition grew out of a misunderstanding between the city, the Edison Electric Company and a contractor who has in hand the work of widening and beautifying Fourth avenue,

The fire-alarm wires in that section are strung on poles used by the Edison pled and deformed for life. Company. Some of these poles between pany made a request for permission to remove the poles back of the curb a a week ago.

Permission was withheld because the presence of gas mains under the street would have compelled the removal of the poles to the middle of the sidewalk. the poles to the middle of the sidewalk. The contractor was not notified of this and yesterday he concluded to put the poles back on his own responsibility. He did not know that the electric light poles carried the fire alarm system of South Brooklyn until he had broken the wires. Then a policeman stopped the work and sent word to Fire Headquarters. It required an hour of the hardest kind of work to get the system in operation again. Fortunately there was no ation again. Fortunately there was no are in that time in the affected territory

Dr. Shoop's

Rheumatic Cure

Costs Nothing if it Fails.

Any honest person who suffers from Rheu-matism is welcome to this offer. For years I searched everywhere to find a specific for Rheumatism. For nearly 20 years I worked to this end. At last, in Germany, my search was rewarded. I found a costly chemical that did not disappoint me as other Rheumatic prescriptions had disappointed physi-

cians everywhere.

I do not mean that Dr. Shoop's Rheumatic Cure can turn bony joints into flesh again. That is impossible. But it will drive from the blood the poison that causes pain and swelling, and then that is the end of Rheumatism. I know this so well that I will furnish for a full month my Rheu-matic Cure on trial. I cannot cure all cases within a month. It would be unreasonable to expect that. But most cases will yield within 30 days. This trial treatment will convince you that Dr. Shoop's Rheumatic Cure is a power against Rheumatism—a potent force against disease that is irre-

My offer is made to convince you of my faith. My faith is but the outcome of experience—of actual knowledge. I KNOW what it can do. And I know this so well that I will furnish my remedy on trial. Simply write me a postal for my book on Rheumatism. I will then arrange with a descript in your yielding so that you have druggist in your vicinity so that you can secure six bottles of Dr. Shoop's Rheumatic Cure to make the test. You may take it a full month on trail. If it succeeds the cost to you is \$5.50. If it falls the loss is mine and mine alone. It will be left en-tirely to you. I mean that exactly. If you tirely to you. I mean that exactly. If you say the trial is not satisfactory I don't expect acceptant from you.

I have no samples. Any mere sample that can affect chronic Rheumatism must be drugged to the verge of danger. I use no such drugs, for it is dangerous to take them. You must get the disease out of the blood. My remedy does that, even in the most difficult, obstinate cases. It has cured the oldest cases that I ever met and in all of my experience, in all of my 2,000 tests, I never found another remedy that would cure one chronic case in ten.

Try my remedy for a month, for it can't harm you anyway. If it falls the loss is

The coming of winter, with its icy winds, damp, foggy weather, and sudden changes in temperature, will set the old rheumatic joints to aching and the muscles to throbbing and twitching with such pains as only Rheumatism can inflict. Chronic sufferers need no better weather signals to warn them of approaching storms than their aching bones and muscles. They know from experience how the damp, easterly winds and A section o South Brooklyn covering night air increase their misery and rob them of restful sleep. Rheumatism is always worse in winter. Cold and dampness are exciting causes; they affect the circulation, stop perspiration, and the poisonous acids in the blood, no longer able to escape through the pores, settle upon the nerves and tender linings of the joints and muscles, causing

inflammation and swelling and such terrible piercing pains that no wonder the nerves are shattered, the health undermined, and the patient often crip-

Rheumatism begins and develops in the blood; outside the curb line since the street it is not a disease that comes in a night or that can has been widened. The Edison Com- be rubbed away in a day but in be rubbed away in a day, but is a constitutional, well-grounded blood disorder that all the liniments and plasters ever invented cannot remove. Yet some people will go on dallying with external remedies for years, leaving the real cause of the disease untouched, the blood growing weaker and thinner and the joints and muscles more useless with each attack. This formidable disease and Dread of Winter is due to a general sluggish condition of the system and the presence of uric and other acid poisons in the blood. It is an internal disorder, that can only be cured by internal remedies. The aches and pains are only symptoms which you may scatter or relieve 1855 Mt. Vernon Ave. for a time by liniments or other outside applica-

tions, but they gather in some other part of the body, shifting from one set of muscles to another, and from joint to joint, and frequently strike the delicate machinery of the heart or some other vital spot. Rheumatism is never permanently cured till the blood has been purified and the sluggish system aroused to better action; and this is exactly what S. S. S. does. It thoroughly cleanses the blood and renovates the system by neu-

tralizing the acids and expelling from the system all acrid matter. S.S.S. warms, enriches, and invigorates the blood, improves the circulation and builds up and nourishes the weak, diseased nerves. S.S.S. acts also as a tonic, and as the general health improves, rheu-matic pains are felt less often and gradually cease altogether. It is the thin, acid blood that is so easily chilled by the cold and affected by every ill-wind and

change in the weather. Rheumatism and bad blood are inseparable, you do not have one without the other, and the surest and quickest way to get rid of Rheumatism is to restore the blood to a normal, healthy state. S. S. S. is composed of both purifying and tonic properties, just what is required in every case of Rheumatism. It does not contain any Potash, Alkali or other mineral ingredient, but is guaranteed entirely vegetable.

If you have Rheumatism in any form, write us fully about it, and our physicians will advise you without cost, and we will mail to your address our special book on Rheumatism, containing helpful information to everyone suffering from this painful THE SWIFT SPECIFIC COMPANY, ATLANTA, GA. complaint.

in bed for six months, and the doctors I had did me no good. They changed medicine

every week, but nothing they prescribed seemed to help me. Finally I left off their

treatment and began the use of S. S. S. My

knee and elbow joints were swollen terribly.

and at one time my joints were so swoller

and painful that I could not close them when

opened. I was so bad that I could not move

knee or foot. In fact, I had one of the severest cases of Rheumatism I ever heard of. I

was getting discouraged, you may be sure, when I began S. S. S., but as I saw it was

doing me good I continued it, and to-day I am a sound and well man, and have never

had a return of the disease. It relieved the

swelling and inflammation, purified my blood

and cured me of this severe case of Inflam-matory Rheumatism after everything else

had failed. I have recommended it to others with good results, and I know that it is a sure cure for Rheumatism.
